Attending Companies

Media & Institutional Partnerships

Seminars

Crypto Expo Europe is more than a network event, we are also focused on sharing the newest information, the fresh trends, finding solutions to the latest issues, all for helping you growing in your career or increasing your business.

The best speakers in the industry will reveal their secrets and will provide the tips that you need to move forward in the business.

Networking

In business connections are everything. Together we are stronger, let's network and build awesome things.

Company Presentations

For making Crypto Expo Europe a complete tour of knowledge we had the best companies presenting their products and the trends in this industry.

You can find directly from the top management what is new on business also you can interact and tell them what are your issues and questions; the interest is on both sides to find the perfect solutions.

Cocktail Break

After a long day of networking first thing you want to do is having a cold alcoholic drink, don't worry we got you

Activities

Private Dinners

Invite your partners and celebrate together, a private 5* dinner is the perfect environment to grow your relations or create new opportunities.

Activities

Parties

If there is something that you don't have to skip on a Bucharest visit, that is the night life. Some of the top clubs in Europe will be hosting the two mind-blowing parties. Special guests, champagne, dancers, open bar all night and great music are the ingredients of our every day party, that for sure you don't wanna miss.

Activities

CEE Awards Gala

CEE Awards Gala is the crowning moment of the entire summit experience, both literally and metaphorically. It is the most anticipated and sought-after evening of the event during which we reward and acknowledge the best professionals in the industry.

The main purpose of the CEE Awards Gala is to put in front and to celebrate the accomplishments of the industry of crypto and blockchain, and to honor all efforts of all companies made to build the industry.

The experience of being interviewed, the presence on the stage, photos with the winners and speakers will take a pride-a-place of your brand during the event. Become part of the most memorable event and offer the most priceless brand value and recognition!
